

Publication Instructions:
BMT CTN Protocol 1205
- Primary and Ancillary Studies –

The requirements below are for publications and presentations made pursuant to the primary BMT CTN Study 1205. For specific ancillary or correlative studies, contact the email below.

Acknowledgment Requirements:

For all Publications, Reports, Presentations, Symposiums, etc.

“Support for this study was provided by grant #U10HL069294 to the Blood and Marrow Transplant Clinical Trials Network from the National Heart, Lung, and Blood Institute (NHLBI) and the National Cancer Institute” and #3U10HL069294-12S1 from the NHLBI. The content is solely the responsibility of the authors and does not necessarily represent the official views of the NIH.”

The following language should be inserted in the acknowledgements for all BMT CTN Studies that utilize CIBMTR data:

The CIBMTR registry is supported primarily by the U24-CA76518 from the National Cancer Institute, the National Heart, Lung, and Blood Institute, and the National Institute of Allergy and Infectious Diseases and from HHS234200637015C (HRSA/DHHS) to the Center for International Blood and Marrow Transplant Research.

Review Requirements:

For all Publications, Reports, Presentations, Symposiums, etc.

BMT CTN: Abstracts, presentations, and proposed publications relating to data obtained from BMT CTN protocols or to activities of BMT CTN Committees or Protocol Teams are to be submitted to the DCC for review.

Questions regarding the above requirements may be directed to the Data Coordinating Center, NMDP Contracts & Procurement Department at NMDP_BMTCTN_Pub@nmdp.org.
