

A Multi-Center, Randomized, Double Blind, Phase III Trial Evaluating Corticosteroids with Mycophenolate Mofetil vs. Corticosteroids with Placebo as Initial Systemic Treatment of Acute GVHD

**BMT CTN PROTOCOL 0802
VERSION 3.0**

PARTICIPATING CENTERS

Core Study Participants:

Case Western Reserve University Consortium
- Ohio State University
- Oregon Health & Science University
- University Hospitals of Cleveland
- Washington University, Barnes Jewish Hospital
City of Hope National Medical Center
Dana Farber Cancer Institute
- Brigham & Women's Hospital
- Massachusetts General Hospital
Duke University Medical Center
Fred Hutchinson Cancer Research Center
Johns Hopkins
Memorial Sloan-Kettering Cancer Center
Pediatric Bone and Marrow Transplant
- Children's Healthcare of Atlanta
- Children's Medical Center of Dallas
- Children's Memorial - Northwestern
- Hackensack University Medical Center
- Levine Children's Hospital
- Medical University of South Carolina
- Nationwide Children's Hospital
- OHSU, Doernbecher Children's Hospital
- Penn State College of Medicine
- Roswell Park Cancer Institute, Pediatric BMT
- UCLA, Mattel Children's Hospital
- University of Alabama at Birmingham
- University of Mississippi Medical Center
- University of North Carolina at Chapel Hill
- University of Utah/ Primary Children's Medical Center
Stanford Hospital and Clinics
University of California, San Diego Medical Center
University of Florida College of Medicine
University of Michigan Cancer Center
University of Minnesota
University of Pennsylvania
University of Texas, MD Anderson Cancer Center

Affiliate Study Participants:

Avera Hematology & Transplant Center
Banner Research Institute
Baylor University Medical Center
Beth Israel Deaconess Medical Center
Blood & Marrow Transplant Program at Northside Hospital
Colorado Blood Cancer Institute
Hackensack University Medical Center
Indiana BMT at Beech Grove
Loyola University Medical Center
Mayo Clinic
Medical College of Wisconsin
Rush University Medical Center
Texas Transplant Institute
Tufts Medical Center
University of Iowa Hospital & Clinics
Utah BMT/ University of Utah Medical School
Virginia Commonwealth University, MCV Hospital
Weill Cornell Medical College
